

## 2013 Saint Louis Maintenance Symposium and IA Renewal Seminar

One-day program consisting of morning and afternoon sessions that meet the yearly training option of 14 CFR 65.93 for renewal of Inspection Authority. Four or more sessions will be running simultaneously with scheduled breaks to allow access to the Exhibit Hall where vendors will be present to display and discuss their products and services.

Topics will include; Aircraft Records, Legal Issues in Aviation Maintenance, Lycoming Engine care and product updates, Rotorblade Preventative Maintenance, Magneto Operation, Honeycomb Panels, and much more...

**Directions:** In St. Charles, Missouri, Exit I-70 at exit 229 (5th st). South to Veterans Memorial Parkway, then westbound to Convention Center Plaza

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
